

Media Release Form

The Cosmic Leap Foundation organizes the Space Club program and the Space Colony Competition. As part of the competition, student teams may create videos, presentations, or other materials that showcase their project work.

This form requests parental permission for the collection and use of student media and related information for the purposes of administering and evaluating the Space Colony Competition.

Student Information

Student Name: _____

School: _____

Parent / Guardian Consent

I, _____ (parent/guardian name), am the parent or legal guardian of the above-named student.

I understand that as part of participation in the Space Colony Competition, my child may appear in photographs, video recordings, or audio recordings created as part of their team's project submission.

Required Use for Competition Administration

Student project videos and related materials will be shared with authorized Space Colony Competition judges for the purpose of evaluating student submissions and selecting competition finalists and winners. These materials may include the student's image, voice, name, or likeness as presented within the team's project video or presentation. Judges will receive access to these materials only for the purpose of evaluating the competition entries.

Optional Public or Promotional Use

In addition to judging, the Cosmic Leap Foundation may wish to highlight student work and celebrate participation in the program through public communications such as:

- The Cosmic Leap Foundation website
- Educational presentations or reports
- Program newsletters or social media
- Promotional materials related to Space Club or the Space Colony Competition

Please select one option below:

☐ I consent to my child's image, voice, name, or likeness being used in public materials related to the Space Club program and Space Colony Competition.

☐ I consent to my child participating in the competition and having their project shared with judges for evaluation, but I do NOT consent to my child's image, voice, name, or likeness being used in public promotional materials.

Data Protection and Privacy

The Cosmic Leap Foundation will collect and process student media and related information only for the purposes described above. Reasonable administrative, technical, and organizational safeguards will be used to protect personal information.

Project submissions will only be shared with authorized competition staff and judges for evaluation and program administration. Personal data will not be sold or shared with third parties for unrelated commercial purposes.

Right to Withdraw Consent

Parents or legal guardians may withdraw consent for future public or promotional use of their child's image, voice, or likeness at any time by submitting a written request to the Cosmic Leap Foundation (programs@cosmic-leap.org). Withdrawal of consent will not affect project materials already submitted for judging or materials already published prior to the request.

No Compensation

I understand that neither I nor my child will receive compensation for the use of any photographs, video recordings, or other media related to the Space Colony Competition or Space Club program.

Release

I release the Cosmic Leap Foundation and its representatives from reasonable claims arising from the authorized use of student media as described in this consent form.
